LUFFY
WATCH

MAKE
SURE
TO GET
HER
SAFE!

THERE'S
2 OF 'EM!

GET VIVI
TO THE
PALACE!

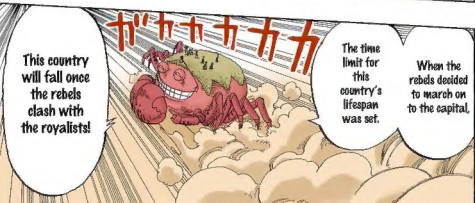

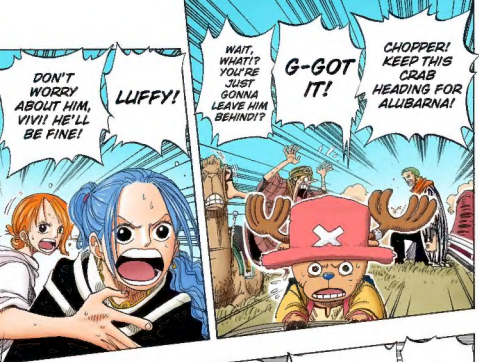

That Idiot...

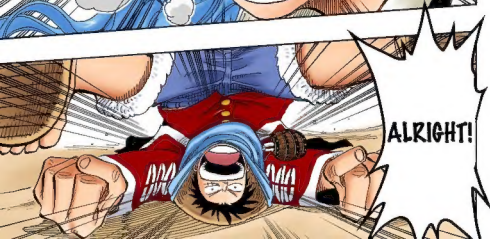

GRIN

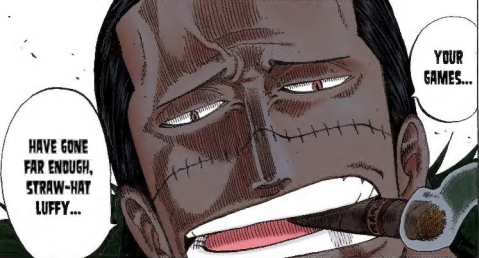

...The agents should
be done with their
tasks in Alubarna by
now. Contact them...

Fufufu...!
Seems the
princess got
away.

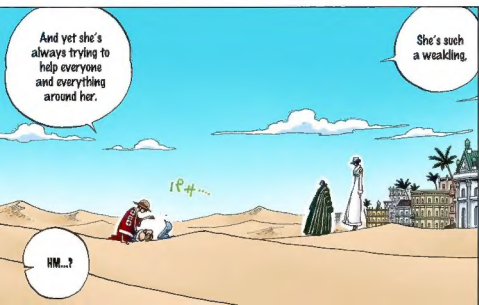

HAVE GONE
FAR ENOUGH,
STRAW-HAT
LUFFY...

YOUR
GAMES...

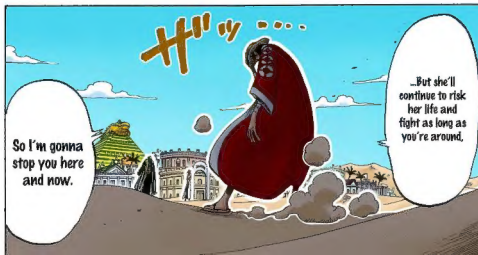

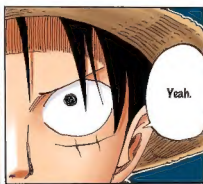

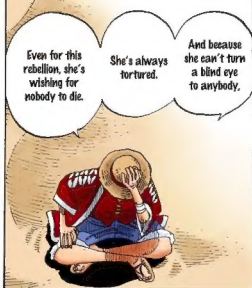

ゴロッ...!!

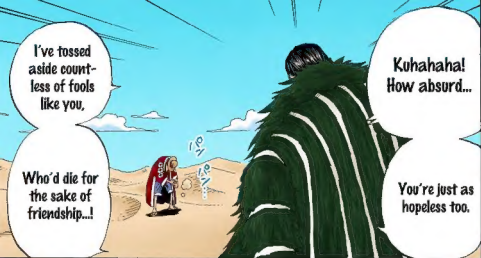

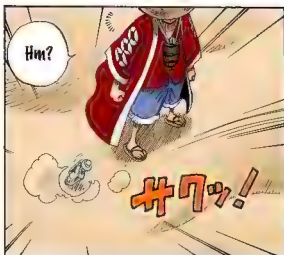

And yet she's
always trying to
help everyone
and everything
around her.

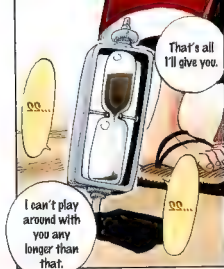

She's such
a weakling.

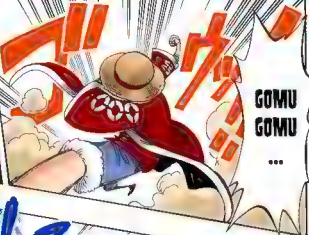

HM...?

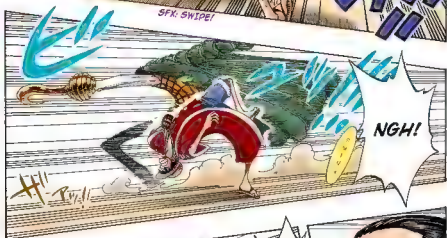

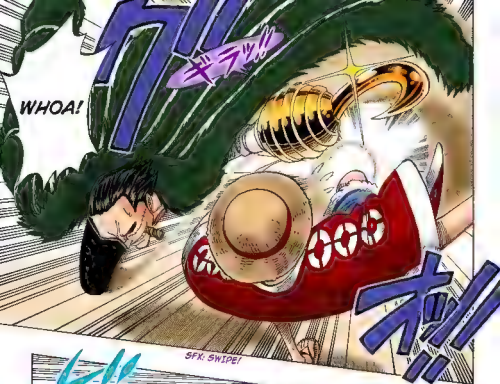

STAMP!

サラ...

UGH!

ゴゴゴ

NGH!

No matter
how much
you struggle,
you won't-

Let me tell
you just one
thing,
Straw-Hat
Luffy...

**GOMU
GOMU
GATLING!**

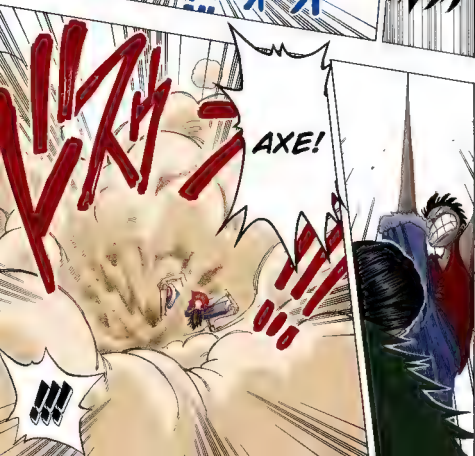

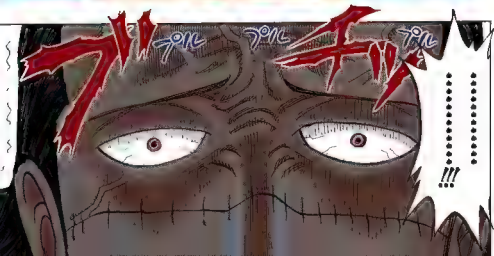

No matter how long you keep up with these annoying attacks like an insignificant mosquito, you'll never-

Listen up, Straw-Hat Luffy...!

DAMN HIM AND HIS SAND...!

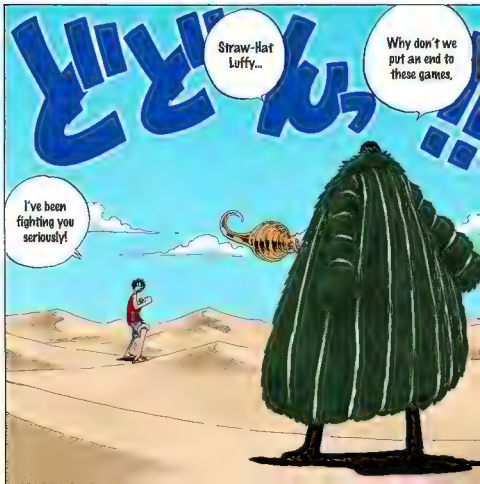

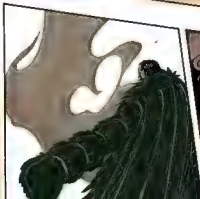

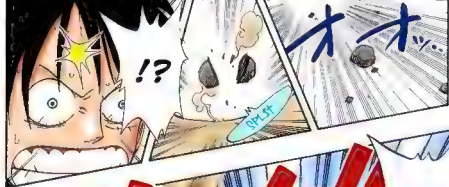

Chapter 178

“Grand-Line Level”

THE
DESERT
SPLIT
OPEN!

WHAT
THE...?

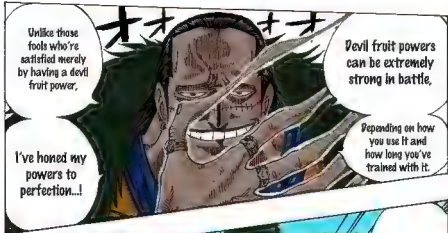

Unlike those
fools who're
satisfied merely
by having a devil
fruit power,

I've honed my
powers to
perfection...!

Devil fruit powers
can be extremely
strong in battle,

Depending on how
you use it and
how long you've
trained with it.

**DESERT
GIRASOLE!**
(Desert Sunflower)

I'll make you
soon regret
ever going up
against me!

THE SAND
IS...
SUCKING
ME IN!

GAHHH!

SLIDE

AGH!

W-WHAT'S GOING ON!?

The sand is being sucked into the groundwater below, which I can sense with my powers...!

AGHI

AGHI

ズブ...ズブズブ...

Have you ever heard of a quicksand? It's quite a convenient desert grave, requiring no casket.

GONNA BE BURIED BY SOME STUPID SAND!

HUFF HUFF!

I'M NOT...

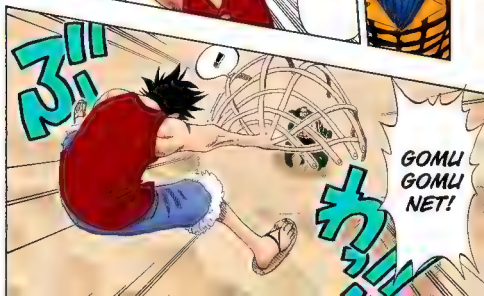

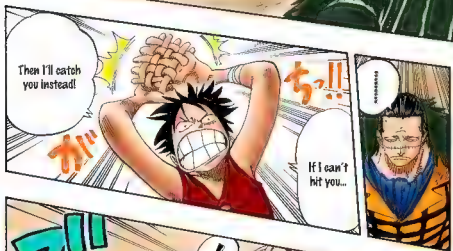

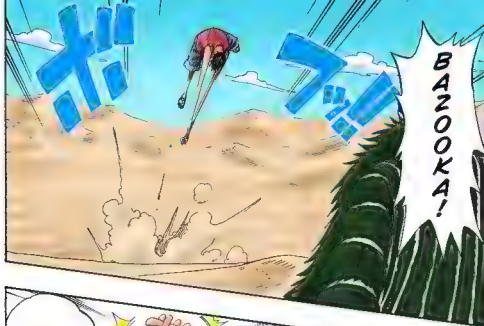

There's not a single person in this world who can best me in a desert battle.

GOMU GOMU-

びよーん!

YOU LITTLE ...

グオオオオ!!

You never
learn, do you...
It's all futile.

Again...?

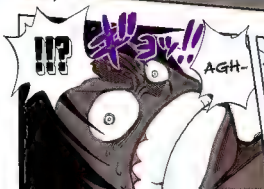

Ahh!

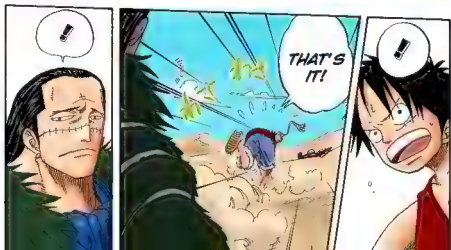

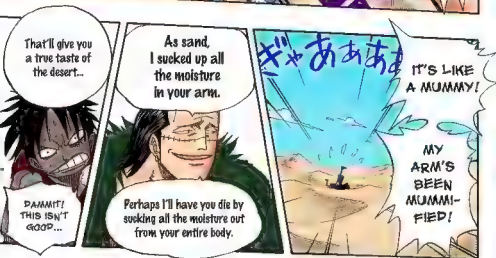

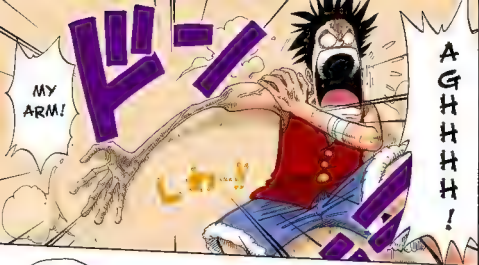

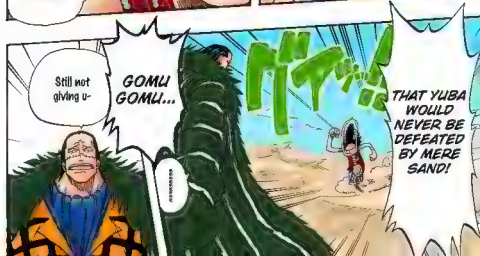

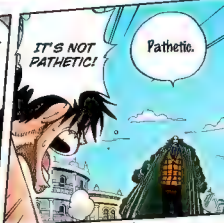

WHIP!

GOMU
GOMU...

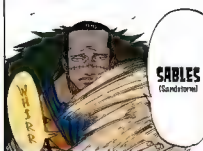

SABLES
(Sandstorm)

I told you
before that
I had no
time to play
with you
any longer
than that...

Huh?

3 minutes
have
passed.

Ahh, the
sand's
perfectly
dry...

UGH...!

ゴオオオオオ

LOOK!
THERE'S A
SAND-
STORM TO
THE EAST!

Rainbase

**WAIT! THE
WIND'S
BLOWING
SOUTH SO
IT SHOULD
MISS US!**

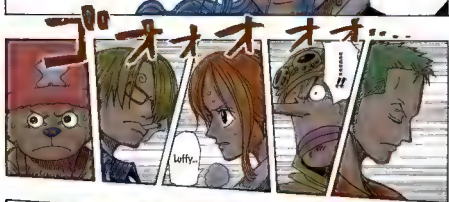

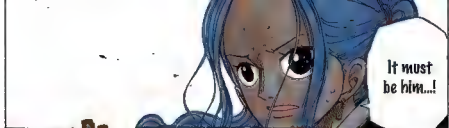

EVERY-

EVACUATE
NOW!

Capt.
Smoker!
Is that...

A sandstorm just sprung up near Rainbase...!

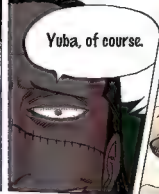

Vivi, what's wrong!?

力 力 力 力 力 力

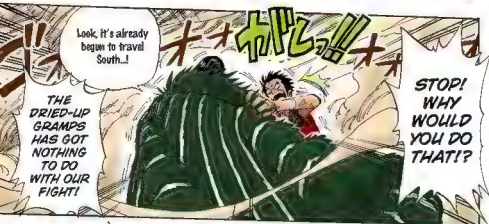

WHY!

Yuba, of course.

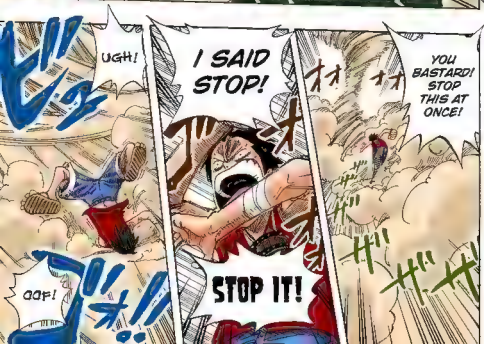

It travels South...!?

Look, it's already begun to travel South...!

THE DRIED-UP GRAMPS HAS GOT NOTHING TO DO WITH OUR FIGHT!

STOP!
WHY WOULD YOU DO THAT!?

UGH!

I SAID STOP!

YOU BASTARD!
STOP THIS AT ONCE!

STOP IT!

**RIGHT
NOW!**

**STOP
THE
STORM!**

**QUIT
YOUR
BULL-
CRAP!**

Once this sand-
storm grows, it'll
become so strong
that not even I'll
be able to stop it.

Kuhaha...
Your efforts
are futile.

I SAID-

!!!

oooooooooooo

This'll be
the end
for Yuba.

Chapter 179

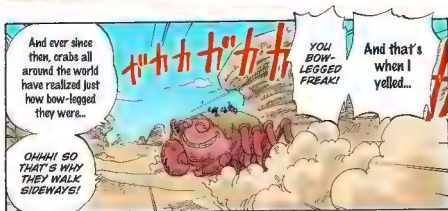

“Showdown at Alubarna”

NRGH!

NRGH!

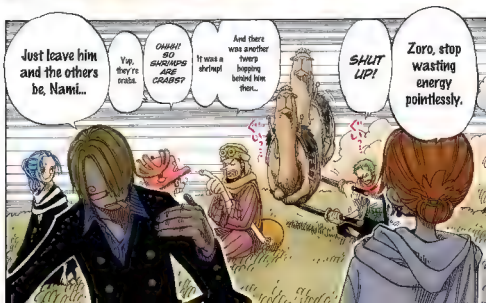

And ever since then, crabs all around the world have realized just how bow-legged they were...

ガカガカガカ

YOU BOW-LEGGED FREAK!

And that's when I yelled...

OHHH! SO THAT'S WHY THEY WALK SIDWAYS!

Just leave him and the others be, Nami...

Yep, they're crabs.

OHHH! SO SHRIMPS ARE CRABS?

It was a shrimp!

And there was another twerp hopping behind him then...

SHUT UP!

Zoro, stop wasting energy pointlessly.

They're no good
at maintaining
composure...
Especially that
muscle-head.

He's feeling
insecure because
he's realized the
gap between
him and a
Shichibukai.

They need
something
to keep their
minds
preoccupied
so they can
calm down.

THE HELL DID
YOU JUST CALL
ME! YOU
LITTLE...
MARINO-HEAD!

WHA-

SAY THAT
AGAIN,
PRETTY-
BROWS!

ME...? SCARED
...!?

WHAT
WAS
THAT!?

Fine, I'll say it.
You're scared
that Luffy
might lose.

What're you
implying,
exactly?
Out with it!

Luffy
won't
lose!

It'll be
fine,
guys!

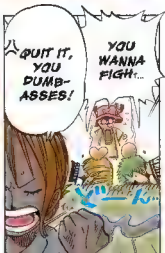

EVERYONE'S ON EDGE
BECAUSE OF WHO WE'RE
UP AGAINST... IT'S
TIMES LIKE THESE THAT
I, AS THE VICE-CAPTAIN,
HAVE TO TAKE CHARGE!

QUIT IT,
YOU
DUMB-
ASSES!

YOU
WANNA
FIGHT...

He promised
he'd meet up
with us at
Alubarna!

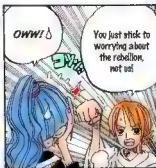

After all,
he promised
us!

Well, I can't exactly
say anything after
that, can I now...

...Sorry for
making you
worry need-
lessly, Vivi.

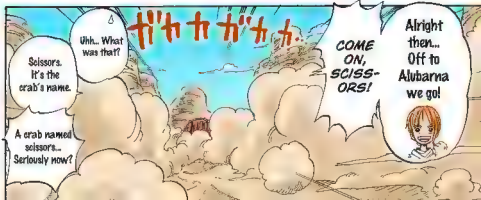

OWW!

You just stick to
worrying about
the rebellion,
not us!

AREN'T YOU
THE ONE
WORRIED
THE MOST!?

Scissors.
It's the
crab's name.

Uhh... What
was that?

A crab named
scissors...
Seriously now?

COME
ON,
SCISS-
ORS!

Alright
then...
Off to
Alubarna
we go!

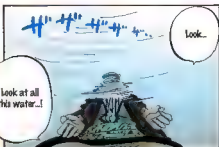

Former
Rebel Base,
Yuba

Look at all
this water...!

ザザザザザ

Look...

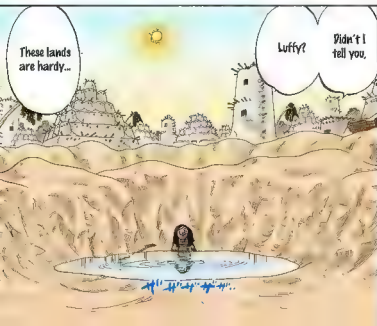

These lands
are hardy...

Luffy?

Didn't I
tell you,

There's still all
this water
underneath...!

Yuba's
still alive
and
kicking...!

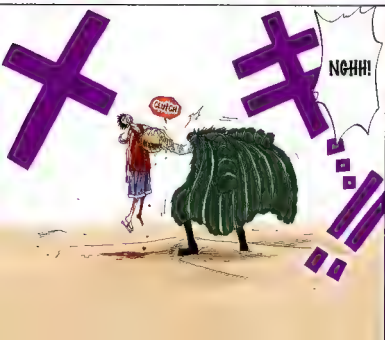

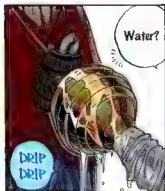

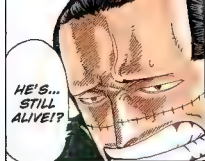

Yuba
will die...

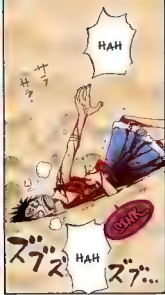

And its
destruction will
only further fuel
the rebels' rage.

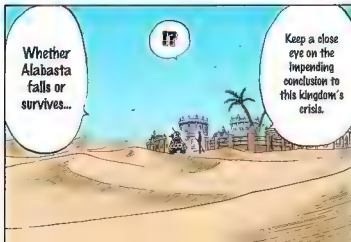

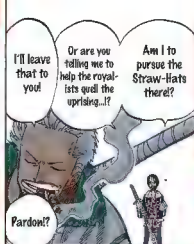

Such cliché
empathy and pity
for your fellow
man is what will
destroy this
kingdom...

This sandstorm
should finish
it off once
and for all...

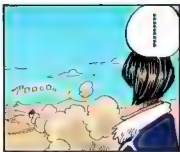

CRISES LIKE
THESE ALWAYS
MARK THE
TURNING POINT
OF AN ERA...!

O-oh,
right...!

SGT.
TASHIGI!!
YOUR
ORDERS,
PLEASE!

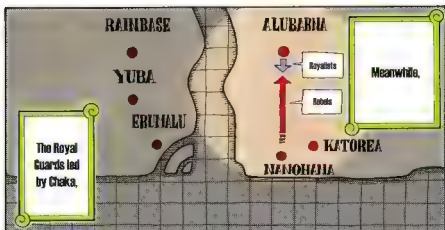

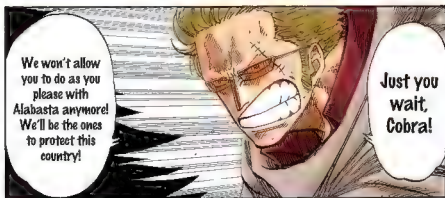

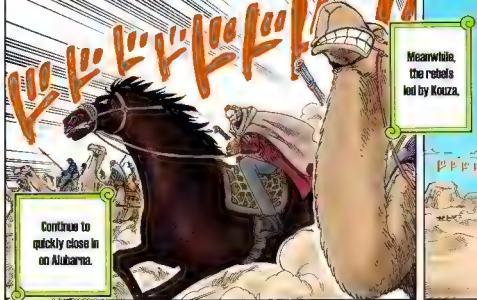

Restock on
ammunition
so we can
then depart
for Alubarna
as soon as
possible!

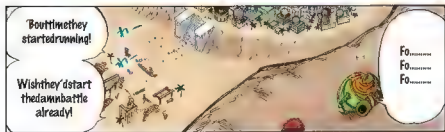

YES, SIR!

We shall
resume our
pursuit for
the Straw-
Hat pirates!

SLICK

ARE YEA EVEN
LISTENIN'!?
REPLY FOR
GOD'SSAKE!

Ack, my poor
hip's actin'
up again!
My hip!

I know I'm the only
one who can get past
the guards and
abduct the king but...

That doesn't mean
they can just order
me to babysit him
afterwards!
Right, Mr. 4!?

YOU
MUST
NOT
FIGHT!

CHAKA...
KOUZA...

WE MUST
NOT LOSE
ANY LIVES
UNNECES-
SARILY!

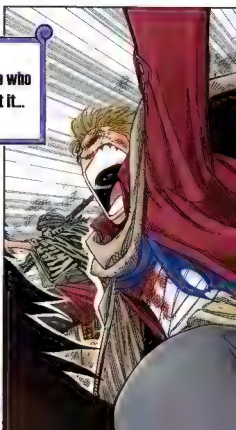

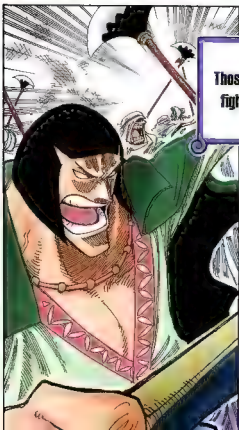

ゴオオオオ...

THE
COUNTRY
IS ITS
PEOPLE!

Those who
lament the
war...

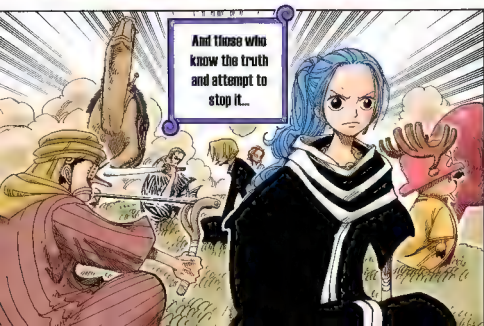

Those who
fight it...

Those who
agitate it...

And those who
know the truth
and attempt to
stop it...

All of
them,

ARABASTA KINGDOM

CATCH

...Perhaps it
was a pointless
question to ask.

But who knows
what'll happen
to her from
hereon,

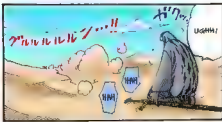

In case you're
wondering, the
princess is just
fine. She's
currently heading
for Alobarna.

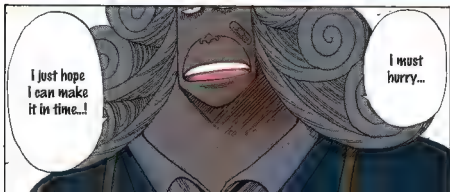

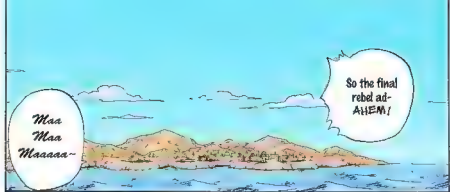

What with
the current

Itinerant crabs are desert creatures.

So it's only natural they can't swim!

B-BUT IT'S A CRAB FOR CRYING OUT LOUD! A FREAKING CRAB!

4 Hours Remain...

WHAAAT!? THIS CRAB CAN'T CROSS RIVERS!?

NOT ONLY THAT, WE STILL HAVE SEVERAL TENS OF KILOMETERS TO GO EVEN AFTER CROSSING THE RIVER!

IF THIS CRAB CAN'T CROSS THE RIVER, THEN THAT MEANS... WE'LL HAVE TO GO BY FOOT!

We'll eliminate the princess as ordered by the boss.

Our objective remains unchanged.

Once a battle starts, then there's nothing someone can do to stop it, even if it's the princess!

...There's nothing we really need to do in that case.

ELLO

Heeeerrree...

ACK! MYHIP!

Our target is Princess Vivi alone...

Don't panic, you idiot. No matter how many more pirates there are,

So it's not surprising even if there's just one or two more.

There's also an unidentified "Mr. Prince" among the pirates.

Not quite, Ms. Merry Christmas... Remember what the boss told us?

JUST HOW LOONY DOES THIS PRINCESS HAVE TO BE IF SHE THINKS SHE CAN STOP THEM ALL!

BUT HERE COMES THAT SILLY GOOSE FROM OVER HERE!

OH, LOOK! YOU CAN SEE THE REBELS COMING NOW!

WHOOO BOY, THERE'S SURE A LOT OF 'EM!

So all we gotta do is kill one little girl?

That's nice and all but...

Mr. L...

AMBIGUOUS!

DAMMIT!
NOW WE
CAN'T TELL
WHO'S
WHO!

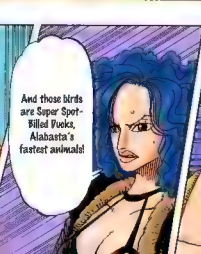

WHY DON'CHA
TELL US WHICH
ONE'S THE
PRINCESS!?

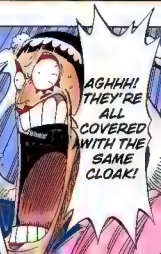

GET 'EM,

And those birds
are Super Spot-
Billed Puecks,
Alabasta's

COVERED
WITH THE
SAME CLOAK!

THEY MUST BE TRYING TO REACH THE SOUTHERN GATES!

2 OF THEM SPLIT OFF AND ARE HEADED SOUTH!

THEY DODGED IT! DAMN, THOSE BIRDS ARE FAAAAAST!

LET'S GO, MR. 4!

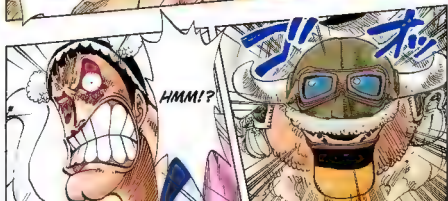

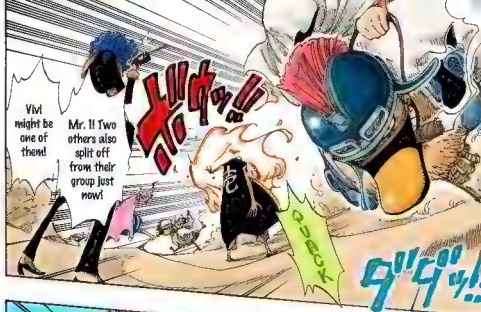

LEAVE THOSE TWO TO US!

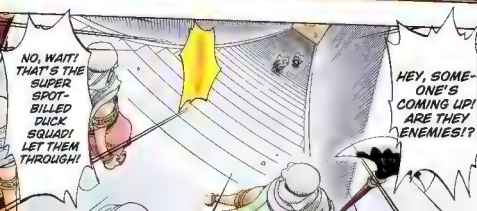

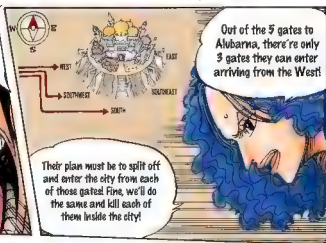

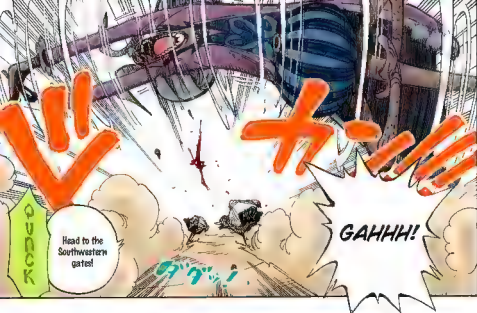

Oooo kaaa yyy...

The Southern Gates is where the rebels will strike! Then does that mean Vivi's one of those two...!?

FLAME STAR!

CERTAIN KILL...

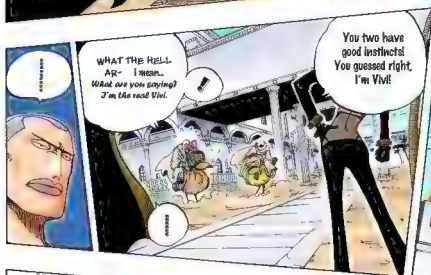

WHA!?

You did a
good job
following
us all the
way in!

Hahaha!

WHAT THE HELL
AR- I mean...
What are you saying?
I'm the real Vivi!

You two have
good instincts!
You guessed right,
I'm Vivi!

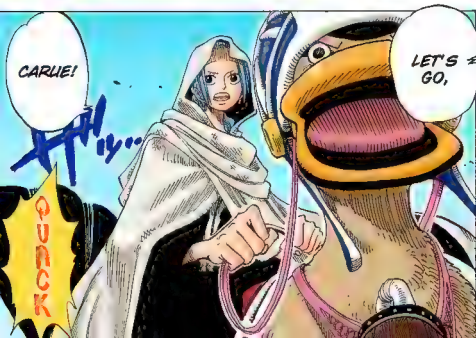

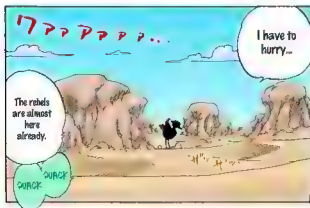

Hold it!

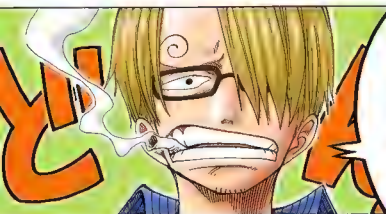

Allow me to
show you who

Chapter 183

"Commander Carue"

HACHI'S UNDERWATER STROLL VOL. 2 "TIME TO HEAD HOME"

He can pose as
any one of us
at any time
and threaten
Vivi's life.

So to
summarize,
that Okama's
a master of
disguises.

If they can't
do that, then
we'll know
they're an
imposter.

Have them
show the mark
concealed under
these bandages.

SHUP

So if you ever
doubt another
crew member's
real identity...

Whew,
that's our
Zoro.

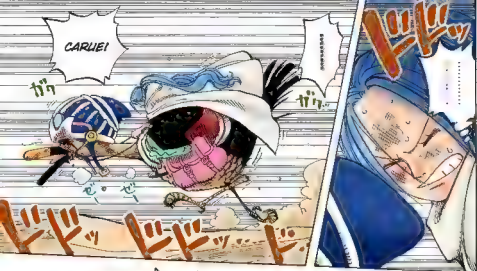

Oh, it's Zoro
alright.

I'LL TURN
YOU INTO
MINCED
MEAT, YOU
LITTLE
PUNK!

DOES THAT MEAN THE
OKAMA'S ALREADY
POSING AS YOU...?!

Huh, a 2-step
identification
system... That's
almost too clever for
someone like you to
come up with...

I'M
GONNA
EAT YOU
DEAD
MEATS
RIGHT
UP!

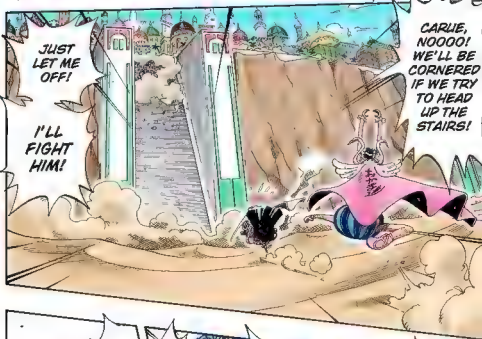

HOLD
ON
UUUUUP!

JUST
LET ME
OFF!

I'LL
FIGHT
HIM!

CARLIE,

THIS
CAN'T

CARUE! That was amazing! You actually flew!

Even Mr. 2 won't be able to follow after us now!

IT'LL BE

penetrated the
city center yet...!

Carve, can

field?

QUACK!!!

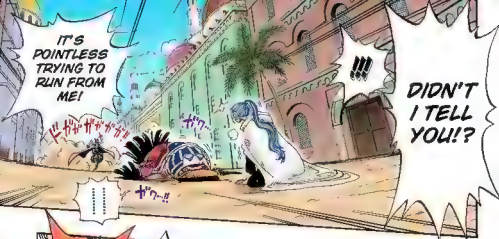

Hooooorree's...

Hmm... Then
maybe you're
the rumoured
Mr. Prince...!

So you're
one of the
Straw-
Hats?

Unlike him,
I'm not
gonna go
down easily...

No...

A first-rate chef of the seas.

My name's Sanji,

You're not the only one in the criminal business. I'm a chef and a pirate.

A mere chef shouldn't be interfering with a criminal organization!

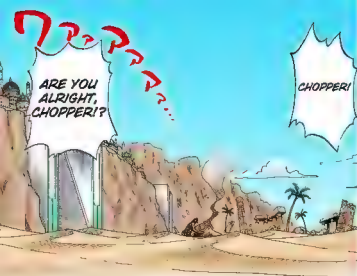

A first-rate chef, you say? Well I'll have you know I'm a first-rate okama!

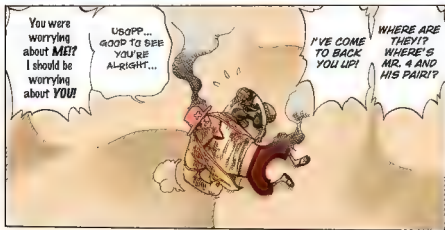

You better not mess with this country.

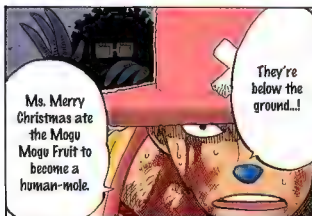

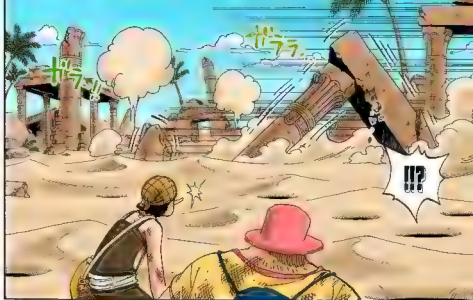

Exactly.

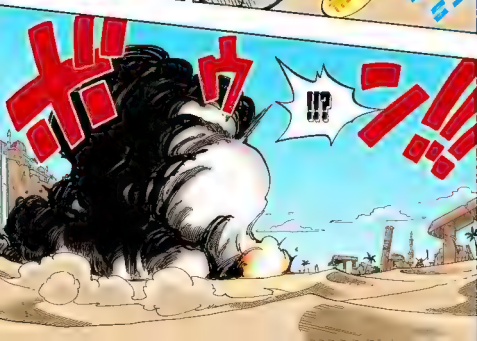

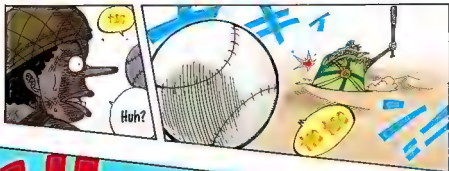

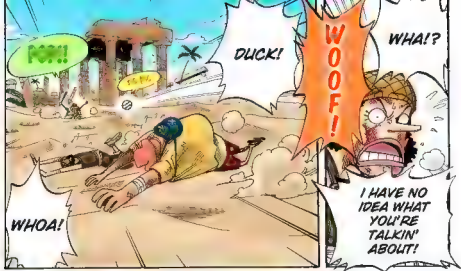

An eye for an eye, you say?

He even takes into account the time limit for the bombs as he hits them!

COUGH!

UGH...

The balls are ticking time-bombs! They'll still explode even if they don't hit you!

And yet if Mr. 4 can hit back these cannonballs at those speeds...

Then he's monstrously strong!

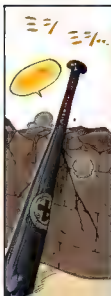

On the other hand, that also means they won't explode until the internal clock reaches zero. I tried exploiting that fact by throwing the bombs back,

But they're heavy as cannonballs! It's not something you can just catch and throw back!
